WARRANTY :

Nat's branded products are manufactured with high quality standards. **Paragone** will repair or replace, at no extra charge, any product that proves to be defective in workmanship or materials. The warranty will apply on defective products, excluding accidentally damaged, abusively used or worn out products. The warranty will be applied on defective products under normal use only.

GOODS RETURNED FOR WARRANTY :

All products must be inspected thoroughly in order to identify the workmanship or material defect. No warranty will apply on misused products or abusive wear. The defect must be clearly identified on the product.

NEVER EXCHANGE AT THE COUNTER :

If the warranty is applicable, we will repair and send you back the product. If the product cannot be repaired, we will replace it. If we do not have the product in hand and cannot replace it, we will issue a credit note.

You may choose to have the shoes or the boots repaired by your local shoemaker. We will refund the charges upon purchase receipt presentation.

Defective products' return procedure :

- 1- For each product returned, item number & size must be clearly identified, as well as the defect and its location.
- 2- Contact **Paragone** customer service department to receive a **return authorization number. (R.A. number)**
- 3- Make sure **to write the R.A. number on the box.**
- 4- All products returned for warranty must be sent prepaid. Collect and unidentified parcel will be refused.
- 5- **Paragone** has the authority to refuse a returned product. The defective item will first be inspected in order to see if the warranty is applicable. This decision is irrevocable.
- 6- **Any parcel without R.A. number will be refused.**

In conclusion :

We guarantee defects due to : workmanship and faulty material.

We do not guarantee : normal wear, abuse, misuse and accidental damage.

For all warranty problem or inquiry, call our toll free customer service department at :
